Animation) and Cassandra Lee Morris (*PERSONA 5 the Animation, Sword Art Online*) as the polarizing familiar Kyubey. The *Puella Magi Madoka Magica* series hit the scene in 2011 and quickly rose in popularity due to its surprisingly dark yet beautiful take on the Magical Girl genre.

The films in this series have been out of print for quite some time and are highly sought after by fans of the series. With pre-orders now open through online retailer [RightStuf Anime](#), there will be no need to make a contract with Kyubey to add these to your collection.
