Pre-orders for the Nintendo Switch™ are now available with a Steam® release to follow on September 13, 2022!

SANTA MONICA, CA (June 28, 2022) Aniplex of America announced today that the handmade notebook adventure *RPG Time: The Legend of Wright* will be releasing on Nintendo Switch™ and PlayStation®4 on August 18, 2022 with pre-orders for the Nintendo Switch™ through the Nintendo eShop starting today. Fans can also look forward to a Steam® release on September 13, 2022. Aniplex of America also revealed that attendees of Anime Expo in Los Angeles will be able to demo the PlayStation®4 version during the July 1-4 convention dates at the company's Entertainment Hall booth. In addition, a brand-new teaser trailer is now available on Aniplex of America's official YouTube channel.

RPG Time: The Legend of Wright places the player in a classroom after school, where they are invited to play *The Legend of Wright*, an epic RPG created by a boy named Kenta, who dreams of becoming a game creator. DeskWorks, the development team behind this game, started their amazing career by winning the Grand Award from the 2007 Japan Game Awards, Amateur Division with their flagship game, *Battle Quest*. From there, after sixteen years conceptualizing and ten

years of development, *RPG Time: The Legend of Wright* was born with over two hundred pages of hand-drawn animation bursting with creativity leading to the game's critical success around the world.

■Introduction

It's time for adventure! When school's out, it's RPG time!

Let's play an RPG that's hand-drawn in a notebook by a game-loving boy named Kenta. Every page has a new and exciting gameplay mode and gimmick! A new, yet nostalgic gaming experience that has won numerous indie game awards is coming soon for your after-school entertainment!

■About the Development Company

We are a Japanese indie game development company that was established in 2019. We aim to cram as many ideas as possible into our work, all to put smiles on our players' faces! Our production ethos is all about continuously adding more and more fun to our projects. We are a team of two designers: Tom Fujii, a game designer who can do just a bit of programming, and Namu Namba, a game designer who can do just a bit of drawing.

Our studio's awards include: Sense of Wonder Night 2018/Best Arts Award, Xiamen International Animation Festival Game Contest 2018/Best Games Golden Award, Taipei Game Show 2019/Best Innovation Award, and more!
