Aniplex of America launches the “Fate/Zero” Blu-ray Disc Box II on September 19th, 2012

The story of the legendary Fourth Holy Grail War will be complete in North America this September!
SANTA MONICA, CA (June 1, 2012) – Recently at their panel at Fanime Con in San Jose, Aniplex of America Inc. announced that the *Fate/Zero* - Blu-ray Disc Box II will be imported from Japan and released in North America on September 19th, 2012 and will be available through anime distributor RightStuf.com and official retailers (http://aniplexusa.com/retailers/). Like the Fate/Zero Blu-Ray Disc Box I set released earlier in March, this highly anticipated release—featuring twelve episodes with unaired, new footage, all subtitled in English over five Blu-ray discs—is another example of the company’s objective to expedite its line-up of wildly popular properties to North America. Fans in North America can take comfort in knowing this BD box set will be released simultaneously with Japan’s release date, and will mark the first time that the *Fate/Zero* - Blu-ray Disc Box II is officially made available in North America. In addition, Aniplex of America will include an English translation booklet to accompany the featured Production Material booklet in the North American release.

“We’re very excited that we can bring the second half of this fan-favorite title to North America at the same time it is being released in Japan,” says Hideki Goto, the president of Animation Business of Aniplex of America. “The Fate/Zero - Blu-ray Disc Box I is still in high demand and like our previous release of ‘The Garden of Sinners,’ this project comes from our continuous challenge to deliver the latest shows as soon as possible. Aniplex of America streamed the second season of Fate/Zero through niconico and crunchyroll. Now I’m glad to announce the BD release date to the North American audience will be the same street date as in Japan. I have no doubt this *Fate/Zero* - Blu-ray Disc Box II will satisfy not only the ‘Fate/Zero’ fans who enthusiastically waited for the second half of this show, but also all those who want to watch the most recent and sophisticated anime show to date. It’s our hope that you’ll find this a worthy showpiece to add to your collection along with the Fate/Zero Blu-Ray Disc Box I to enjoy and treasure repeatedly.”
