Following the Madoka Kaname and Homura Akemi Versions,
The Mami Tomoe, Kyoko Sakura and Sayaka Miki Versions are finally here!

The Madoka Magica fone fully customizes everything from your home screen to the design of your tools to match each Magical Girl, and it also includes original voice clips and gallery images exclusive only to the Madoka Magica fone!

Additionally, in response to popular demand,
the Puella Magi Madoka Magica fones for the iPhone have been green-lit for development!
More information will be released through the anifone Official Homepage (<http://en.anifone.com/>).

Experience this innovative Android Smartphone interface unlike any other application or game you have ever seen!

Experience the world of Madoka Magica right at your fingertips!

Watch the Soul Gem on your Home Screen sparkle or get cloudy depending on certain conditions...

The Madoka Magica characters will greet you on your Home Screen, and your clock display and icons will match each girl's theme. Shoot at Kyubey with every calculation using the original calculator!

Enjoy exclusive contents available only through the [Puella Magi Madoka Magica fone]

On the Collection page, learn about the various Witches in the [Witch Encyclopedia] and enjoy memorable scenes from the anime in the [Gallery] as many times as you want!

In the [Voice Collection], enjoy famous lines from the series, and also special voice clips that were recorded just for the Puella Magi Madoka Magica fone!

Enjoy the Witch Mode! Engage in battle with the Witches!

A Witch's Kiss will appear on the screen once certain conditions have been met. Tapping on it will change the design of your screen from the Normal mode to the Witch mode! You will be transferred to a completely different dimension where you enter into battle with the Witches! Everything on your Android Smartphone will fall under the control of the Witch, including your home screen and tools. Defeat the Witch and obtain her Grief Seed to return to the Normal mode!
